Camilla Cacace

iOS Developer

Education

2025 - 2026 | APPLE DEVELOPER ACADEMY

Course at the Academy of Naples

Intensive program on SwiftUI and the Apple ecosystem. Significantly leveled up my coding standards while mastering cross-functional teamwork, communication, and agile collaboration.

2021 - IN PROGRESS | PARTHENOPE UNIVERSITY

Computer Science Degree

Core focus on data structures, OOP, software engineering, and database management. Applied theoretical algorithms to projects with an emphasis on writing clean, efficient code.

2024 | IOS FOUNDATION PROGRAM

Advanced course at Parthenope University

Centered on advanced architecture, watchOS development, and data persistence. Focused on building scalable code, Apple Watch applications, and optimizing performance.

2024 | IOS FOUNDATION PROGRAM

Basic course at Parthenope University

Intensive introduction to native development. Covered Swift fundamentals, Apple's Human Interface Guidelines (HIG), SwiftUI reactive paradigms, and core state management.

Work Experience

2020 - 2025 | FULL-STACK WEB DEVELOPER

Vintage Luxury E-Commerce · Freelance

I engineered the end-to-end architecture of a premium vintage e-commerce platform, developing custom front-end interfaces, implementing secure database management, and optimizing loading performance to match luxury market standards.

2021 - PRESENT | AFTER-SCHOOL TUTOR & MENTOR

Private Education & Soft Skills Coaching

I provided personalized academic coaching and personal mentorship to students, combining custom learning strategies with psychological support to build their self-confidence and help them face future academic and life challenges.

Extra-curricular Experiences

2016-2018 | CONSERVATORY OF MUSIC OF SALERNO

Certificate of completion in pre-academic drums, piano and music theory
